EDUCATION

B.Sc. in Computer Science and Engineering

Premier University Chittagong
Expected graduation: 2027

TECHNICAL SKILLS

Programming

Python, C, C++, C#, JavaScript, Java

AI & Data

A*, Minimax, Alpha-beta pruning; ML, PyTorch, data analysis and visualization coursework

Web & Databases

ASP.NET Core MVC, Node.js, Express, HTML/CSS, PHP, PostgreSQL, MySQL, Firebase

Tools & Hardware

Git, GitHub, Linux, ESP32, Cisco Packet Tracer

PROFILE

Computer Science student focused on AI, machine learning and practical software development. Builds game AI, web applications and IoT projects, including a cover page generator used by fellow university students. Balances degree studies with employment at Britannia Garment Packaging.

SELECTED PROJECTS

Stratego Duel AI ↗

Python · Pygame · Search algorithms

Built a 10×10 strategy game using A* planning and Minimax with alpha-beta pruning for AI decisions.

StudyPilot ↗

ASP.NET Core MVC · PostgreSQL · Gemini

Developed an academic platform with Student, Faculty and Admin roles, course management, assessments and GPA planning.

Cover Page Generator ↗

HTML/CSS · JavaScript · PHP/MySQL

Created customizable academic cover pages with PDF printing. Deployed the frontend on Netlify; used by fellow students.

AI Militia: Combat Zone ↗

Python · pygame-ce · A*

Built a 2.5D combat game with tactical enemies, wave-based missions, survival mode and checkpoint saves.

IoT Firefighting Robot ↗

ESP32 · Sensors · Wi-Fi dashboard

Integrated flame and gas sensing, a servo-controlled water pump and a local Wi-Fi dashboard for manual control.

Smart City Network ↗

Cisco Packet Tracer · Routing & switching

Designed a simulated city network using VLSM, VLANs, OSPF, DHCP/DNS, ACLs and NAT/PAT.

EMPLOYMENT

Britannia Garment Packaging

Currently employed while completing a B.Sc. in CSE.

SELECTED CERTIFICATIONS

HarvardX / edX: Computer Science for Artificial Intelligence; CS50x, CS50P and CS50AI.
IBM / Coursera: Machine Learning with Python; Data Analysis with Python; Advanced Deep Learning Specialist.
